## AT MENCAP HOLIDAYS 2024 WE NEED U

### ABOUT US

Oxford and District Mencap was founded in 1961 by parents of children with learning disabilities. Every year, in Oxfordshire we provide residential holidays for people with learning disabilities run entirely by our fantastic volunteers!

### ABOUT OUR GUESTS

Our guests have varying levels of needs, but one thing in common - they really look forward to their holiday, all the activities they will do, and most importantly the companionship and support they receive. Medics, cooks, and leaders are present on each week to cater for any medications or special needs.
